

EFFECTIVE MEMBERSHIP ENGAGEMENT WITH BLUE VAN DYKE

ABOUT BLUE VAN DYKE

- While Blue started in the business world, he eventually transitioned using his skills as a venture capitalist to helping churches grow.
- When he started at Christ Church of the Valley (CCV) he asked two main questions:
 - What's our job as a church?
 - Are we any good at it?
- They identified a journey of taking people through a membership lifecycle and looked for ways to measure how well they were doing.
- There are three key items that they identified for growth:
 - Presence of the Holy Spirit
 - Good Ministries
 - Aligned Strategy

"Attendance is actually a byproduct of doing engagement well." - *Blue Van Dyke*
