“According to the grace of God which was given to me, as a wise master builder I have laid the foundation, and another builds on it. But let each one take heed how he builds on it.”

- *1 Corinthians 3:10 (NKJV)*

### BEING A BUILDER

- Our goal should be to partner with God in ministry instead of creating plans on our own.
- Our talent can keep us from being desperate for God in certain areas.
- Partnering with God will help you build something beyond you.

“I’ve learned how desperate I am for counsel.” - *Chad Veach*

### THE PRINCIPLE OF EXCELLENCE

- You can love people well by paying attention to the details.
- A mentor will walk through the door when a student is ready to learn.
- Inviting feedback into your life helps you resist the thought that you have “arrived.”
- Repeat customers are drawn back by comfort, and comfort is created by excellence.
