LEADERSHIP ROLES

“Pastors Set The Table” by Lee Domingue

Pastors are gifted by God to possess great vision, a supernatural ability to see far-reaching for influencing the lost and discipling the saints. In fact, these visions are so exciting, they can keep you up at night... one, because you are so fired up to see God working through you and your church, and two, because you have no idea how God is going to provide all the resources you need in order to implement these great plans! But here's one thing you can always count on: If God gave you the vision, He will always supply the PRO-vision.

That provision is sitting right in front of your pulpit. It's the business leaders who attend your church, many of whom are trying to medicate the pain of the discontentment they are feeling through destructive behaviors. They though success would bring the fulfillment and validation they were searching for, but the money and the influence only left them wanting more. This is because they have never connected to their true Kingdom purpose. They're longing to invest their lives into a God-purposed destiny, and YOU hold the key that will unlock this door.

When a businessperson connects to Kingdom purposes, everything changes! These men and women are awakened to their own new visions and strategies, and their resources flourish like never before. The result? Churches get built and paid for. The Gospel goes forth and more lives are saved. Missions are sent, the poor are fed, the oppressed are helped, and our communities are transformed. Simply put: pastors need business people, and vice versa. These two destinies are indelibly intertwined, and designed like this by God. We all need to understand the value of each other's calling and how important and powerful it is that we come into covenant.

The first thing pastors must come to understand is no matter how brilliant or successful your marketplace leaders are, they absolutely need YOU to invite them to the table of this covenant. Not only are they looking to you for spiritual leadership, but they also understand authority, so most of them would never usurp your pastoral lead. They need you to invite them and pastor them so they can understand THEIR value to the vision God has placed on the church. Once you have, they will be ignited! They will come alongside you and freely offer their influence, time, resources.

Secondly, pastors and business leaders must take time to understand each other and to learn each other's language. Or as I like to say, we need to interpret each other's dialect. We are like the Chinese language in many ways. They are both called “Chinese,” but the Mandarin dialect and the Cantonese dialect are very different! One cannot understand the other with learning how both dialects communicate. So many times in the church, the business leaders are speaking Mandarin while the pastors are speaking Cantonese... but we both believe we are speaking Chinese. And we wonder why sometimes we miscommunicate. It's simply because we need to learn each other's dialect. This is done by a consistent effort by all to build authentic and transparent relationships.

Pastors, you hold the key to unlock this dynamic partnership that will advance the cause of the Local Church... your church! If we really believe what we preach: that the local church is the hope of the world... we much realize this will never happen if we don't engage our modern-day kings to charge into battle with us. Side by side, pastors and business people will become a force of epic proportions and we will be the hope AND the change our world is crying out for!

Purpose of Kingdom Builders

Purpose of the Kingdom Builders (KB) Team

The KB Team is an outlet for those who are called and equipped to finance the Kingdom of God and to leave a legacy. The KB Team serves our church with the gift of giving.

We have different gifts, according to the grace given to each of us. If your gift is prophesying, then prophesy in accordance with your faith; if it is serving, then serve; if it is teaching, then teach; if it is to encourage, then give encouragement; if it is giving, then give generously; if it is to lead, do it diligently; if it is to show mercy, do it cheerfully.

-Romans 12:6-8

Prayer Covering Guide

Below is a guide and key tips for the kinds of prayer covering that take place within the KB team.

KB Prayer/Intercessor Team

The KB Prayer Team is a person or team of people that pray over your KB Team daily. Just like you have a prayer team covering other areas of ministry within your church, there also needs to be intercessors covering your KB team.

Prayer Team Leader & Intercessors Responsibilities:

- Has the spiritual gift of intercession.
- Understands the gift of generosity.
- Being on the KB team personally is encouraged but not required.
- High-Discretion.
- Pray as a group before KB Central events. Can also be present during KB Central events to cover event in prayer while it's taking place.

Prayer Focuses:

- Prayer covering of KB Leader & KB Support Staff.
- Prayer covering of KB Campus Leaders and their families (if multi-site).
- Prayer covering for all KB team members, their families, businesses, and endeavors.

Additional Notes:

- This team is recruited via invitation only - hand selected small group of people (5-7 max).
- Recommended that KB Leader and KB Prayer Team Leader meet quarterly to provide clarity, updates on current church calendar and activities, as well as answer any questions Prayer Leader may have.

Praying Over Businesses

You may get a request time to time to pray over or dedicate the business, new office location, etc. from the business leaders in your church. The Bible speaks of the anointing of the prophets, priests, and kings. All of hell will try to attack, distract, and destroy the success of a Christian business person when they see their Monday-Friday as a holy, redemptive calling. It is important as the church to come alongside your business leaders to support, cover, and bless the difference they are making in the marketplace.

KB Leader & Church Staff Responsibilities:

- KB Leader & other Church Staff can be part of this team.
- Campus Pastor of the KB Team member is preferred to join (if multisite).
- Establish a point of contact on the KB staff for KB team to make requests to and schedule.
- Explain the purpose and reason for prayer covering over offices, business endeavors, etc. to your KB Team.
- KB Staff point of contact coordinates place and time with KB team member request.
- Bring anointing oil.

Prayer Focuses:

- Every customer or potential customer.
- Every vendor relationship.
- Staff & their families.
- Workplace safety.
- Uncommon favor in all areas of life and business.
- Prayer walk the property, buildings, offices.
- Offer prayer for staff on site that want it.

Additional Notes:

- ALWAYS ask owner's permission for the parameters of praying if business is taking place with staff and customers present. Don't assume what the permissions are.
- If current KB Leader is not an ordained pastor, have an Executive or Staff Pastor join as well.

Lane Overview

Highlands College is a biblical higher education institution that exists to supply the Church with leaders of competence, character, and spiritual maturity, holistically trained to lead lives of eternal impact by fulfilling the Great Commission.

Because of the abundant generosity of Highlands College donors through the Eternal Impact Campaign and our partnership with Church of the Highlands, Highlands College is equipped to develop generations of leaders who will impact the world for Christ. Highlands College assesses its effectiveness in achieving this mission through student learning objectives, graduation metrics, and post-graduation placement.

\$17.5 Million Challenge Gift

Hobby Lobby's Green Family committed another extraordinary gift to Highlands College that allows the expedited renovation of the second on-campus student housing facility, The Village at Highlands College. In November 2023, they presented the College with a "challenge gift" of \$17.5 Million. This "challenge gift" means for every dollar raised, they will match it up to \$17.5 Million, doubling the raised amount to \$35 Million.

The Green family has steadfastly supported the College's vision to create a ministry academy model in world-class facilities. In 2021, they generously donated \$20 Million to fund the construction of The Heights, the first residence hall that opened at the beginning of the Spring 2023 semester.

Individuals or organizations interested in advancing the Highlands College mission and contributing to this challenge can connect with the Office of Institutional Advancement at campaign@highlandscollge.edu.

Successful 1st Annual Veterans Day Celebration

Highlands College had the privilege of welcoming **over 1,100 veterans** and their families to campus for the inaugural Veterans Day Celebration on Saturday, November 11. To honor their spirit of courage and resilience, guests enjoyed a complimentary breakfast and an inspiring message from Retired Navy Captain J. Charles Plumb, recipient of the Silver Star, Legion of Merit, Bronze Star, two Purple Hearts, and the Prisoner of War Medal.

Together, guests and students heard how the nationwide holiday started in Birmingham. Church of the Highlands and Highlands College leaders shared words of gratitude and led various patriotic elements of the celebration. Finally, as a "thank you" from our students and Highlands College, every military branch was recognized for their service, and each veteran was presented with a commemorative challenge coin.

The Impact Leadership Conference is an annual event with world-renowned leadership expert Dr. John C. Maxwell and Chancellor Chris Hodges. Local Outreach

Legacy Lane Report - January 2024

Vision Gap
\$3,173,091

Vision \$8,261,146
Received \$5,088,055

Lane Overview

The Local Outreach of Church of the Highlands allows us to meet the needs of those in our community. We do this through the Dream Centers of Church of the Highlands, inner-city outreach, correctional ministry, partnering with organizations that serve communities throughout Alabama, and fighting human trafficking in the U.S. through Trafficking Hope. We measure the impact made by the number of people who have served, lives touched, and needs met.

Lane Highlight

Family Day at Kilby Correctional Facility

Our Correctional Ministry Team helped with hosting Family Day at Kilby Correctional Facility this past fall. The Kilby Correctional Facility Chaplain and Warden asked us to help host this event for **125 men** in the Faith and Honor Dorm and **over 300** of their invited family members. This was a full, fun day complete with food, face painting, crafts, kick ball, and a bounce house. The Chaplain had asked us to host a service with worship and a live message in addition to all the festivities so these men could have “church” with their families.

At a normal visitation, family members are not allowed to touch each other. They can only sit across from one another at a table. During Family Day, the men were able to hug and hold their children, and fully interact with their families.

“I just wanted to thank you and your team for your work, dedication, donations, and time spent for this event. It was indeed something special. The inmates in the Faith Dorm are so appreciative and genuinely enjoyed the day. I think they will talk about this event for a long time.” - Warden Crow, Kilby Correctional Facility

New Vision Projects

Education Expansion

The team is working toward education expansion for speaking opportunities for the public, schools, and churches seeking ways to minister in their communities.

Estimated Cost: **\$10,000**

Travel Trailer

Replace the Disaster Response travel trailer with a newer model. The current unit is getting worn and is in need of repairs in many areas. An upgraded 5th wheel camper designed for a command center as well would be a great asset to serve those impacted by disasters.

Estimated Cost: **\$120,000**

Juvenile Ministry

We are focusing on the expansion of our Juvenile Ministry. We have identified 17 facilities we are not in, that represent over 1,200 students in either correctional or detention facilities.

Estimated Cost: **\$250,000**

Ongoing Vision Projects

Partnership Development

Through our local partnerships in the communities we serve, we are able to accelerate vision and serve more people by providing those ministries with extra resources. Every month we have the opportunity to make a greater impact through our giving, over and above what we are already committed to. There are 87 ministries in Alabama and Georgia we have the privilege to work with. We look forward to seeing the gospel go forward through these ministries serving in our community.

Estimated Cost: **\$1,155,000**

Community Leadership Development Program

The Community Leadership Development Program is designed to help youth who desire to enter full-time ministry or pursue secondary education. These youth often still need education and mentorship in order to learn life skills as well as develop the character and spiritual foundation to be successful. The program lasts one year and includes part-time employment. The goal is to help bridge the gap so that youth in our city can build their future and live a life of eternal impact.

Estimated Cost: **\$15,000** (Approximately 50 weeks per year, 25 hours per week, \$12 per hour = \$15,000 a year for 1 participant)

Dream Center Community - Highlands College Traditional and Evening Scholarships

We would like to award Highlands College Traditional and Evening scholarships on behalf of our Dream Centers in Auburn, Birmingham, Tuscaloosa, and Montgomery. This scholarship would be awarded to a member of our Dream Team or a student called to ministry who desires to develop their leadership and vocational skills, but due to their financial situation can't afford formal ministry training.

Estimated Cost: **\$144,000**

Hispanic Outreach

This year, one of our focuses has been on reaching the Hispanic community of Montgomery. We believe that by providing resources such as food and other necessary supplies, we can reach the lost and build a stronger community of believers. With your help, we can expand our mission to others and bring them into the light and the community of a local life-giving church.

Estimated Cost: **\$24,000**

Local Campus Outreach Projects

Providing materials, supplies, and food for outreach projects at all campuses. Projects include SERVE Day, Thanksgiving Outreach, Giving Hope, and First Saturday Serves.

Cost: **\$3,384,146**

Presentation and Training Material

We are working to create an updated presentation and training material for Dream Team members interested in speaking at education opportunities.

Estimated Cost: **\$10,000**

Updated Operational Procedures

We are currently updating the standard operating procedures to align with the recommended practices for approved Dream Team service opportunities. These updates will be put into the Outreach Resources, so it is easy for everyone to understand and know how to do these service projects.

Estimated Cost: **\$10,000**

Audio/Video Needs

Equipment updates are needed at the Tuscaloosa Juvenile Detention Facility, Birmingham Women's Facility, and the Tutwiler Annex. New Facility launch equipment is needed at 6 additional ADOC facilities, Hillcrest Behavioral Health Facility and the 3 Alabama Department of Youth Services facilities.

Estimated Cost: **\$200,000**

Portable Basketball Court

Our Birmingham Dream Center has experienced success engaging local youth and providing spiritual discipleship through basketball. We have seen incredible success in our male teenagers, who are taking next steps ranging from serving on the Dream Team to joining small groups to getting baptized and serving their communities. With a portable basketball court and four portable goals, we are confident of reaching more inner-city teenagers for Jesus and helping them to learn and walk out their God-given purpose.

Estimated Cost: **\$30,000** (1 Portable Court = \$18,000 + 4 Portable Goals = \$12,000)

Montgomery Public Schools Teacher Lounge Makeovers

A majority of our city's public schools are outdated and in need of refrigerators, microwaves, Keurigs, and snacks. It's our joy to bless these teachers, reminding them that God sees them and that there's a church in the community that loves and supports them. Through these serves, we have seen a number of teachers and school staff attend church and even complete Growth Track. There are a total of 52 schools and 25 are already complete.

Estimated Cost: **\$40,500** (\$1,500 per Teacher Lounge for remaining 27 schools in Montgomery County)

Skilled Project Team Enclosed Trailer and Zero-Turn Mower

This year our team has impacted multiple families throughout the Montgomery area. As we continue to grow, having a pre-organized trailer loaded with tools and materials for projects would help us steward our time and energy. This trailer would allow more time to focus on projects and, most notably, the people being served.

Estimated Cost: **\$13,500** (\$6,500 for 14 ft. medium-duty trailer and logo wrap + \$7,000 for Mower)

Trailer Mounted Diesel Generator

45 kw trailer mounted diesel generator. Many areas we serve after disaster are without power for weeks. Our teams have had to rely on rented or borrowed generators to power buildings and kitchens for housing and feeding teams. This generator would enable us to have ready equipment to deploy and meet electrical needs at the disaster site without delay.

Estimated Cost: **\$55,000**

Towing Equipment

Purchase a 1 ton truck for towing equipment. Another truck will enable us to get equipment to disaster areas and needs quicker and more efficiently.

Estimated Cost: **\$70,000** (increased from \$66,000)

15-Passenger Van

This van will expand the reach of the Dream Center in Auburn/Opelika to include international students, DC Kids, Neighborhood Outreach, and Food/Medical Serves. Transportation is a critical need and the provision of a van will assist us in serving our local communities and ministering to them at a higher level.

Estimated Cost: **\$35,000**

Skid Steers

This piece of equipment is a pivotal part of all response efforts. With it our local teams will be able to maneuver more independently and address projects more quickly than is currently optional.

\$50,000 – Skid Steer with Grapple (CAT 259D)

\$45,000 – Skid Steer with Mini Grapple

\$40,000 – Mini Skid Steer

Estimated Cost: **\$135,000**

Shower Trailer

As natural disasters are on the rise, one of the greatest challenges our teams and fellow ARC churches face is the availability of showers during disaster response. Having access to a shower trailer will enable us to get boots on the ground and people assisted more quickly.

Estimated Cost: **\$110,000**

Heavy Duty Gooseneck Flat-Bed Trailer

For hauling disaster relief equipment and skilled projects equipment. Our team is currently at the threshold where it would be more cost efficient to purchase a trailer rather than renting. Our capacity has grown to the point of requiring greater resources to support the impact that our team is making in our community.

Estimated Cost: **\$10,000**

Saw Trailer and Equipment Packages

Saw trailer and equipment package to resource campus teams. This would be a 16' cargo trailer outfitted with a saw package and equipment to enable a team of 10 to serve efficiently and safely in disaster areas.

Estimated Cost: **\$25,000**

Box Truck

26' box truck for delivering disaster supplies from quick strike warehouses into areas of need.

Estimated Cost: **\$80,000**

Utility Van/Large Truck

We have several campuses with vision to have a smaller SERVE vehicle that can not only transport team to get out in the community but be able to transport materials, supplies, and food to reach people and make an impact in our cities!

Estimated Cost: **\$360,000** (\$90,000 each for 4 different cities and campuses)

Heavy Duty Trucks

We have two campuses that are in need of a heavy duty truck to execute local outreach projects. These trucks would allow teams to transport materials, supplies, and food.

Estimated Cost: **\$140,000** (\$70,000 each for 2 different cities and campuses)

Transportation

Our Birmingham Dream Center enjoys deep relationships with older adolescents and young adults who are far from ready to enter a church service. We build relationships through various activities with these neighbors in hopes that they will choose lives beyond the violence that surrounds them. We are need of a dedicated large van for this work.

Estimated Cost: **\$35,000**

Field of Dreams

The Birmingham Dream Center is strategically located within 2.4 miles of over 35% of all of Birmingham's public housing project units. We are focused on disrupting and overcoming the childhood to prison or graveyard pipeline that plagues so many of the young men we are fortunate to call neighbors. We know the gospel brings life to all of life and labor to build trusted relational connections that help this abundant life become reality. There is currently no reliably safe place to play in the community. We want to repurpose one of our parking lots with a protected large astroturf space and an outdoor pavilion. Additionally, we want to retrofit the interior of the Dream Center to include recreation spaces that attract at-risk neighbors.

Estimated Cost: **\$1,800,000**

ARC

Church Planting in “Underserved Cities”

As we look to the future of ARC, we have found that there are cities and states still in need of life-giving churches. We have identified more than 200 cities on which to focus our energy and efforts in planting a thriving, life-giving church. In the last 12 months, we have planted churches in seven of ARC’s identified underserved cities; Cincinnati, OH, Des Moines, IA, Helena, MT, Port Charlotte, FL, Providence, RI, St. George, UT, and Waterloo, IA. We have seven upcoming plants in underserved cities; Athens, GA, Clarksville, TN, Fort Smith, AR, Lacey, WA, Owensboro, KY, Reno, NV, and Waynesville, MO.

Each city is unique, with its own culture, demographics, and size. Our goal is to match couples who are uniquely called with those communities in desperate need of Jesus. ARC typically invests \$30k-\$50k into new church plants, but it will likely take more people, time, and funding to launch strong churches in many of these areas.

We are looking for partners with a passion to help see the local church thrive even in the most difficult of places. We are currently discussing these cities with potential church planters and are excited about building momentum going forward.

Cost: **\$13,800,000** (276 under-served metro areas at \$50,000 per church plant)

Digital Transformation Project

We are nearing the completion of our digital transformation project. In 2019 we made a significant investment of **\$250,000 to overhaul our digital platforms** that serve the people, churches, and organizations that makeup ARC. We are now finishing the external portions of that project, including a brand new ARC Launch Training Dashboard. This platform supports church planters as they apply, train, build their launch plan, interact with their Launch Coach, raise fundraising dollars, launch successfully, and beyond. The new dashboard features all-new training videos, content, automated systems, and improved user experience to equip church planters to launch strong.

ARC Launch Training Event

With the new ARC Launch Training Dashboard comes an exciting event that helps potential church planters learn more about ARC, and for ARC staff and coaches to connect with potential planters early in the process. **Five** ARC Launch training events were held in 2023 and more than **400 people** attended. At the event they learned about ARC’s values, the essentials of church planting, the launch process, and determined if they would like to take the next step towards planting a church with ARC.

- **5** ARC Launch events were held in 2023 across the U.S. to train church planters
- **400+** potential church planters and pastors attended ARC Launch events in 2023
- **5** opportunities for potential church planters to attend an ARC Launch event in 2024

Global Partners

Our Global Outreach Strategy

We invest in strategic global missions efforts so that we might complete the Great Commission. The following areas shape how and what we invest in, and give us a framework to ensure we properly steward and maximize our available resources. The main filters we use are: leadership development and country transformation, church planting in the 10/40 window, and Scripture translation. Through each of these filters, we can effectively reach more people and meet the pressing needs around the world. Just as important as the how and what we invest in, is where we invest. While these are not the only places we invest, the following are our seven strategic areas of the world where the ministries we invest with operate and are an extension of Highlands for the Great Commission to be fulfilled.

- **Central Asia**
- **China**
- **Europe (Germany and Norway)**
- **Iran**
- **Middle East**
- **Northern India and Himalayas (India, Nepal, Bhutan, Tibet)**
- **Sahel Belt of Africa**

These certificates open the door to jobs which allow them to provide for their families, maintain a sense of dignity and purpose, as well as impact their communities for good. The ultimate intent is that this program creates a natural space in which we can create “Gospel-touchpoints” – intentional moments when our staff can demonstrate and/or share the love of Jesus with the participants.

Lane Overview

Through our campuses and Dream Centers, we serve people where they are, meeting both practical and spiritual needs.

Whether delivering groceries through inner-city outreach, mentoring in correctional facilities, responding to natural disasters, or fighting human trafficking through Trafficking Hope, we are committed to bringing hope and healing to Alabama, Georgia, and beyond. We partner with trusted organizations, host serve events year-round, and mobilize volunteers to make a lasting difference in our communities.

Lane Highlights

Disaster Response – Because of continued Legacy support, our Disaster Response teams are better equipped than ever to serve families across Alabama and Georgia when storms and emergencies occur. This year, well-trained campus teams have been actively repairing homes, clearing debris, and restoring property access for families who would otherwise struggle to recover. Recent equipment additions and Dream Team growth have allowed us to respond in multiple communities at the same time, meeting needs quickly and with excellence.

This increased capacity has also positioned us to assist trusted partners beyond our region. We deployed leaders to Texas after severe flooding to support pastors and accelerate relief efforts. We equipped pastors across Ukraine through a GrowLeader Global training event. And when Hurricane Melissa devastated Jamaica, our teams helped restore power and secure homes for impacted families.

EVENTS

Kingdom Builders Launch Event Talking Points

Over the past several months, the team has met to discuss and collaborate the idea of how those with the spiritual gift of giving can serve at church. Came up with KB Team as a way to accomplish this.

Some meeting takeaways:

- Clarity – Need Consistency
- Define Communication
 - o What is KB and what does it do?
 - o What's expected of me?
 - o How do I get involved?
 - o How do I know if I am able to be on KB?

New Language:

- **“5 KB Lanes”**
 - o **A lane gives clarity, intentionality, and focus for the person in it and the team.**
 - o **Church provides a KB team “on-ramp” process through the **Growth Track** and it gets you into your lane(s).**
- Share a Creative KB Lane slide for reference so people can connect.
 - o Projects Lane: Building demand (Vision Gap) is higher than current ability
 - o NextGen: Scholarships, Student Ministry
 - o Local Lane: Dream Center, Prisons, Outreach Partnerships
 - o National Lane: ARC, Human Trafficking (Trafficking Hope)
 - o Global Lane:
 - Mission Trips (we are creating opportunities for KB team to see what they are supporting)
 - Great Commission, Church Planting, Leadership Development, Scripture Engagement

We want the KB team to not know we appreciate them but to understand the value of their calling. It's about calling and fulfilling the purpose of what God created you to do. It's not about the money. Money is just a tool to accelerate the vision.

- Introduce the “KB Lane Report” – 3 times a year
 - o Report keeps KB team connected, informed, ways to connect, vision gap
 - o Lane specific Updates, Wins, Upcoming Projects, Connection Opportunities, Mission Trips, Vision GAP (what's needed to get it done)
 - o This will also help with any Annual Report, as certain info will be useful.

- Step & Repeat for picture w/ pastor as gift emailed later (optional)
- Volunteers ready to guide guests to assigned seating (optional / if assigned seating)

- Prayer & Eat
- Sr. Pastor shares his heart for the start of a KB team, why everyone is in the room, and what to expect for the night. Example talking points:

Kingdom Builders Launch Dinner Example Script

Pastor Welcome (High-Energy) -

Hey, everybody. Thank you so much for being here at our first ever Kingdom Builders Launch Dinner.

Our team has been praying for this night and I am so excited to unpack what the Kingdom Builders team is all about. God has been doing amazing things in and through the life of our church. We are seeing people come into a real relationship with Christ, getting freedom in areas that have been holding them back, and operating in their spiritual gifts and serving others in Jesus' name.

We have many teams in many areas to serve, but it hit me – in Romans 12, it talks about the spiritual gifts, and one of those is the spiritual gift of giving, and we haven't always had a place for those people with the spiritual gift of generosity to truly activate that gift. We have people for worship, kids, greeters, but not necessarily in the area of generosity for people that see their giving truly as an act of worship, and so we've been working with an organization to be able to help put this together and to really help our church become whole in pastoring and developing, and honestly discipling, people in the gifts that God's hardwired in every person.

We're going to jump into what that really means and the spirit of a Kingdom Builder later in the night, but we're about to eat an amazing meal together and I encourage you to get to know those at your table. Before I pray and bless the food, I just wanted to let you know that tonight is not what we want from you, it's what we want for you. Our true heart is for you to really grab hold of the spirit of what God's placed inside of you so that you can live life fulfilled in all He has for you.

After I bless the food, we're going to dismiss by tables, eat dinner, and then I'll come back up and give us 5-10 minutes warning for restroom, things like that, and then we'll get started. We're going to have a great night, so let's pray.

Dinner

Pastor Intro Thought & Intro Guest Speaker (if applicable) –

All right, everybody, we're going to go ahead and get started. I hope you enjoyed the food and the conversation. Can we help honor the team that helped pull this off?

As I said earlier, we have many places to serve in our church, and it hit me, you know, we're all called to worship, but some people, they have a gift for it. That's our worship team. We're all called to be hospitable, but some people have a gift for it. That would be our hospitality team. It could be greeters. It could be ushers.

But there are people that have the spiritual gift that God's given the ability to generate wealth or be successful in business and to be used Monday through Friday, but sometimes what we have found is that the closer someone gets to God, sometimes they look at what they do for a living as less than, or they look at it as maybe one day I can make enough money so that I can do something great for God, and tonight we want to kind fix that viewpoint in our church, and we want to be able to really help people understand the call that God's placed on their life and how that partnership between the church and a Christian business person plays out.

Let me define what that looks like. A Kingdom Builder is someone who feels called to give over and above in their finances to accelerate the work of God's kingdom. This could be someone who works at Chick-fil-a or owns five Chick-fil-a's. It's not necessarily about a dollar amount, but it's about a heart of generosity and identifying with that spiritual gift. I think Jesus settled that in Scripture with the story of the widow with the two mites.

If pastor sets vision but the business person sets the pace, then our destinies are intertwined and we need each other to fulfill all that God has placed on our lives. And it is on me as your pastor to invite you into this relationship.

I believe that if you could see all that the church was doing, that it would blow you away of what God has done, what He's currently doing, but also what He could do if. So we wanted to be able to create a space for you to be able to pray and ask God what you're supposed to do. A space where you could be spirit-led in your giving to where you truly operate in that gift.

So I'm super excited tonight as we are kicking this team off and we brought in a special guest intro speaker:

Guest Speaker – If not a guest speaker, then Pastor share a message/thought on Spirit of A Kingdom Builder.

Pastor Closing –

.... Wow church can you thank _____ for imparting that word to us. Amazing! Everyone as we wrap up tonight, let's take a moment to celebrate all that God has done and to thank our speaker for sharing tonight. (claps) Ultimately, now that we've talked about the spirit of what a Kingdom Builder is, I want to give you a practical look at what it means to be part of this team.

On this team, three times a year we will send out what we call 'lane reports.' These reports encapsulate all the vision of our church and shares updates on projects like brick-and-mortar expansions, next-generation ministries, and local or global missions. We know some of you are passionate about certain areas, and we want you to have that information as you pray and decide how to be spirit-led in your giving.

But it's not just about updates. We also want to show you the life change on the other side of your generosity. By joining this team, you'll have opportunities to go on mission trips, see the impact firsthand, and receive our 52-week devotionals designed for marketplace leaders—a little something in your inbox every Tuesday morning.

We want to create an ecosystem where you can plug and play at the speed of your world, not just the demands of the church. So as we take the next minute or two, the team is going to play a little background music. You'll find opt-in cards on your table. If you feel that this is for you, take a moment to pray and fill it out. If not, that's perfectly okay—we want you to be on the right team for you.

After about a minute or two, I'll come back up, we'll all stand together, and I'll pray a powerful blessing over you—over your businesses, your families, and your journey. And then we'll close out the evening. (If there's dessert,) Enjoy dessert and feel free to mingle a bit longer.

Pray & Dismiss

Dear <First Name>,

What an incredible night we had last night as Pastor XXX shared the vision for **XXXX Church's** new Kingdom Builders Team as well as hearing from our guest, Pastor Lee Domingue from Church of the Highlands, who shared his marketplace journey into connecting to Kingdom Purpose.

The KB Team is an outlet on the Dream Team for those who are called and equipped to finance the Kingdom of God and to leave a legacy. The KB Team serves our church with the gift of giving according to Romans 12:6-8. Pastors set vision for a church, but business leaders set the speed of that vision. If you were not able to join us last night, Pastor XXXX wanted you to be able to experience our time together. It was an historic night in the life of our church! See the below link to watch and if interested in joining the team, please reach out to let us know.

(watch vision night) - [hyperlink video link](#)

The KB Team will be getting detailed information throughout the year on what we are doing as a church and the impact being made locally, nationally and globally. We will also be meeting periodically as a team as well as creating connection opportunities like KB Team mission trips led by Pastor.

The entire vision of our church is broken up into what we now call the Five KB Lanes. We have created a Lane Report for each to keep you informed and connected. On behalf of Pastor XXXX and the leadership team we are excited to release our 1st KB Lane Reports. Each "Lane" report will have current information on new projects, progress reports, connection opportunities, vision gap needs, wins and prayer needs. This report will go out every 4 months as an information and stewardship tool. We not only want you informed, but also find ways to help you step up into your God given lane to make a difference. In addition to the Lane Reports you will receive a weekly devotional that are designed just for KB Team only, the first devotional will be delivered Tuesday morning, **(Date)**. Also, be sure to check out the new KB Team Webpage for more information.

Take a moment and review the Lane Reports as we believe you will find them helpful. If you have any questions, please do not hesitate to email me.

Kingdom Builders Commission® Guide

What is the Kingdom Builders Commission®?

The Kingdom Builders Commission® is a defining moment of alignment between pastors and business leaders - a sacred commitment to advance the local church and the Kingdom of God together.

It is not a program.

It is not a campaign.

It is not a one-time decision.

It is a commissioning.

Why create the Commission Experience?

This is a moment where business leaders move from simply supporting the church to being spiritually aligned, mission-driven partners in building it. As the pastor, you are creating a moment for the business leaders in your church to consecrate their Monday - Friday as a holy, redemptive calling.

When do I create the Commission Moment?

It is best to create Commission moments after having an established KB or generosity team. Implement the Commission after already having a launch event. Let the digestion period of your generosity team take place and then introduce the Commission.

What happens in the Commission?

Throughout Scripture, God uses moments to mark people for purpose. The Kingdom Builders Commission is one of those moments. During a Kingdom Builders gathering, banquet, or leadership environment, business leaders are:

1. Spiritually Aligned

They recognize their work, influence, and resources as part of God's Kingdom plan.

2. Personally Committed

They make a clear, intentional commitment to their pastor and their local church.

3. Publicly Commissioned

Through prayer, leadership covering, and laying on of hands, they are commissioned into Kingdom purpose, not just as givers, but as builders.

4. Eternally Focused

They shift from transactional generosity to transformational impact.

"While they were worshiping the Lord and fasting, the Holy Spirit said, 'Set apart for me Barnabas and Saul for the work to which I have called them.' So after they had fasted and prayed, they placed their hands on them and sent them off."

Acts 13:2-3

Kingdom Builders Commission® Talking Points

Setting Up Individual Prayer & Commissioning:

Pastor explains what is about to happen. Ask everyone to stand, and to remain standing.

Worship music starts and keeps going throughout the entire commissioning.

Pastor invites all leaders/attendees who want to be commissioned to come forward.

Have Staff Pastors ready to be in front of room or stationed throughout room to pray over individuals & couples.

Example Topics/Prayer Points During Individual Prayer Time & Laying On of Hands:

Pastors pray over business leaders with the laying on of hands. Take time with each person/couple. This is where spiritual weight is released and a big moment for them. Do not feel rushed and may take longer than you anticipate.

Focus of Prayer:

1. Calling
2. Courage
3. Provision
4. Protection
5. Legacy Impact

Example:

Lord I thank you for (FIRST NAMES). I lay hands on them in the name of Jesus consecrating their calling in the marketplace. I pray you anoint them now with passion, supernatural wisdom and courage to walk out what you have called them to do. I pray a hedge of protection over them, their marriage, family, business, and finances. Tonight, we commission them in the name of Jesus for generational kingdom impact through your Church for the glory of our God!

Commission Prayer

Pastor or KB Leader/Pastor prays corporately over the room as individual prayer is wrapping up.

Continue with building worship in background.

**Father, Tonight we set these men and women apart.
Not for recognition...But for Kingdom responsibility.**

Mark them.

Mark their minds with wisdom.

Mark their hearts with humility.

Mark their companies with righteousness.

Mark their wealth with eternal purpose.

May their influence serve revival.

May their strategy protect vision.

May their prosperity never outrun their surrender.

As priests lay hands upon kings, We declare alignment.

Holy Spirit, send them out. Let this be the moment they look back on and say: "That was the night I was marked."

In Jesus' Name. Amen.

Worship builds to full volume.

Kingdom Builders Commission® Talking Points

Commission Declaration

Pastor or KB Leader/Pastor will declare the KB Commission over everyone.

Show on Screen

We affirm that Jesus Christ is Lord and King. His Kingdom is eternal.

His Church is His chosen instrument on the earth.

We declare that the local church is the hope of the world, and we commit ourselves to its strengthening and expansion.

We recognize that pastors are called to shepherd and set vision.

We recognize that business leaders are called to build and set pace of the vision.

Together — Kings and Priests — we advance the purposes of God in our generation.

We renounce small vision, passive faith, and divided effort.

We embrace courage, generosity, excellence, and unity.

We commit our:

Influence,

Resources,

Leadership,

Enterprises,

Families,

Reputations

to the advancement of the Kingdom of God.

We will build with INTEGRITY.

We will give with JOY.

We will lead with HUMILITY.

We will execute with EXCELLENCE.

We will move from success to SIGNIFICANCE.

We build what outlives us with an ETERNAL MINDSET.

We will strengthen the LOCAL CHURCH.

We will empower the NEXT GENERATION.

We are Kingdom Builders.

Marked by calling. United in purpose. Commissioned for impact.

Create a high-quality printed certificate with the Commission to give everyone at the end of the night. Includes a line where Pastor has already signed, and that night everyone can sign and date to mark the moment.

Kingdom Builders Commission® Follow Up

In addition to attendee follow-up, it's important that your staff and leadership teams are equipped with the right resources to confidently engage and connect with those who were commissioned at the event.

Example Resource to Staff Pastors and Leadership:

(GREETING),

The KB Commissioning is a defining moment of alignment for our Kingdom Builders Team—a sacred commitment to advance the local church and the Kingdom of God together.

It is not a program.

It is not a campaign.

It is not a one-time moment.

It is a commissioning.

At the (EVENT NAME), business leaders moved from simply supporting the church to stepping into their role as builders—spiritually aligned, mission-driven, and sent into their everyday lives with purpose.

Through prayer, covering, and the laying on of hands, they were not just inspired; they were marked and sent.

Moments like this matter, but they require pastoral follow-up to take root. The days and weeks following are when people either step into what God stirred or drift back into what's familiar.

This is not about executing a plan. It's about discipling the business leader in our church. Your voice, your relationship, and your encouragement will help carry this from a moment into a way of living.

1. Identify

Take a few minutes to think through the Kingdom Builders Team at your campus and their current level of engagement on the team:

- Established leaders
- Committed and growing
- New or exploring

Write and mail notes, send a text or voice memo, and make personal phone calls. Don't discount or downplay your roles as (ROLE) with the Kingdom Builders Team!

2. Encourage

Help your Kingdom Builders Team remember and be confident in their calling. The first thing the enemy will want to do is make them question what they experienced and the significance of their role.

They were made by God, for God: Colossians 1:16

Their everyday life is their mission field. Their Monday-Friday is a holy, redemptive calling. This team is not transactional; it's relational and sacred.

Let the Word reinforce both identity and assignment:

Ephesians 2:10 — You are God's handiwork, created for good works prepared in advance

2 Corinthians 5:20 — You are Christ's ambassador

John 15:16 — You were chosen and appointed to bear fruit that lasts

Matthew 5:14 — You are the light of the world

Colossians 3:23 — Work as unto the Lord

Romans 12:6–8 — You are hard-wired by God with the spiritual gift of giving

Kingdom Builders Commission® Follow Up

3. Stay Connected

Annual Events and the Commissioning are catalytic moments, but momentum is sustained through consistent connection and shared mission throughout the year.

Continue creating intentional environments where Kingdom Builders can experience vision, relationship, ministry impact, and spiritual alignment together.

Examples:

- Kingdom Builders Lunches with Senior Pastor after service (5-6 couples)
- Campus/Local Gatherings
- Gatherings at Campus Visits with (SENIOR PASTOR)
- Kingdom Builders Lane Connections
 - Invite Kingdom Builders Team to attend a students or college service in your area
 - Construction site visit of new campus building/dream center etc...
 - Coordinate with a Missions partner to do a site visit and see the impact first-hand.

People stay connected to what they continually experience. Keep creating moments that reinforce purpose, calling, and Kingdom partnership.

The Commissioning will continue taking place annually at the (EVENT NAME) as a unified, in-person moment led by (SENIOR PASTOR).

If you feel there's a unique situation that may require a commissioning conversation, we're happy to help walk that out. You can reach out to (KB PASTOR NAME, EMAIL/PHONE).

Kingdom Builders Family,

At (EVENT NAME), the commissioning was not a conclusion, but a sending.

We believe God marked something in you that night! The influence you carry, the decisions you make, and the people you share life with Monday through Friday are all part of how He is advancing His Kingdom through your life.

In the days and weeks ahead, we are praying that you walk with renewed confidence and conviction in your calling. What God began in you will continue to take root and shape how you lead, build, and live.

Below, (SENIOR PASTOR NAME) wanted to personally share a brief word of encouragement with you:

[ATTACH SHORT VIDEO FROM SENIOR PASTOR]

We are grateful to walk this out together!

Video Script Example:

Hey Kingdom Builders Team,

I haven't stopped thinking about this year's (EVENT NAME). It was such a special night.

And I hope you walked away with an even greater sense of clarity and confidence in how your role on the Kingdom Builders Team is impacting what God is doing at (CHURCH NAME). Not just for our church, but for THE Church. Our prayer is that the Commissioning moment confirmed your calling - this team's calling - is not transactional, it's sacred.

In 1 Peter 2:9, Scripture reminds us that we are chosen, set apart, and called to make a difference. That's not just something we believe - it's something we live. I want you to stay anchored in that truth no matter what challenges you may encounter.

Never lose sight of the fact that your influence matters, your life has a purpose, and God has entrusted you with that influence for Kingdom impact. I'm praying that continues to take root in your heart.

You are marked by calling, united in purpose, and commissioned for impact!

I really believe we're just getting started. And as we continue walking out this promise together, we're going to see God do more than we could ask or imagine.

I'm so grateful for you and for the opportunity to be on mission together.

I love you so much, I'm praying for you—and remember, together we win!

Eternal Return On Investment

Jesus is Lord over my spirit, soul, and body. Jesus has been made unto me wisdom, righteousness, sanctification, and redemption. I can do all things through Christ who strengthens me. The Lord is my shepherd. I lack nothing. My God supplies all my needs according to His riches in glory in Christ Jesus. I do not fret or have anxiety about anything. I do not have a care. I dwell in the House of Prayer. I am the body of Christ. I am redeemed from the curse, because Jesus bore my sickness and carried my diseases in his own body. By His stripes I am healed. I forbid any sickness or disease to operate in my body. Every organ, every tissue of my body functions in the perfection in which God created it to function. I honor God and bring glory to Him in my body. I have the mind of Christ and hold the thoughts, feelings, and purposes of His heart.

Philippians 2:9-11, 1 Corinthians 1:30, Philippians 4:13, Psalm 23, Philippians 4:19 Philippians 4:6; 1 Peter 5:6-7, Galatians 3:13, Matthew 8:17, 1 Peter 2:24, 1 Corinthians 6:20, 1 Corinthians 2:16

I am a believer and not a doubter. I hold fast to the confession of faith. I decide to walk by faith and practice faith. My faith comes by hearing, and hearing by the word of God. Jesus is the author and developer of my faith. The love of God has been shed abroad in my heart by the Holy Spirit, and His love abides in me richly. I keep myself in the Kingdom of light, in love, in the Word, and the wicked one touches me not. I fear not for God has given me a spirit of power, of love, and of a sound mind. No weapon formed against me shall prosper. Every tongue that rises against me in judgement shall be shown to be in the wrong. God is on my side.

Hebrews 4:14, Hebrews 11:6, Romans 10:17, Hebrews 12:2, Romans 5:5, 1 John 4:16, 1 John 5:18, 2 Timothy 1:7, Isaiah 54:17, Romans 8:31

I tread upon the serpents and scorpions and over all the power of the enemy. I take my shield of faith and quench every fiery dart. Greater is He who is in me than he that is in the world. I let the Word dwell in me richly. He who began a good work in me will continue until the day of Christ. I am delivered from this present evil world. I am seated with Christ in heavenly places. I reside in the Kingdom of God's dear Son. The law of the Spirit of life in Christ has made me free from the law of sin and death. I hear the voice of the Good Shepherd. I hear my Father's voice and the voice of a stranger I will not follow. I roll my words upon the Lord. I commit and trust wholly to Him. He will cause my thoughts to become agreeable to His will, and so shall my plans be established and succeed. I am a world overcomer because I am born of God. I represent the Father and Jesus well. I am a useful member in the body of Christ. I am his workmanship created in Christ Jesus. My Father God is all the while effectually at work in me to do His will and do His good pleasure. I am the righteousness of God in Christ Jesus. I am the head and not the tail. I am above only and not beneath. I am blessed when I go in and when I go out. The Lord is my light and my salvation. I let my light shine before men. They see my good deeds and praise my Father in heaven. I am like a tree planted by rivers of water, that brings forth fruit in season; my leaf shall not wither, and whatsoever I do shall prosper.

Psalm 91:13, Ephesians 6:16, 1 John 4:4, Colossians 3:16, Philippians 1:6, Galatians 1:4, Ephesians 2:6, Colossians 1:13, Romans 8:2, John 10:27, Proverbs 16:3, 1 John 5:4-5, Ephesians 2:10, Philippians 2:13, 2 Corinthians 5:21, Deuteronomy 28:13, Deuteronomy 28:6, Psalm 27:1, Matthew 5:16, Psalm 1:3

I have the mind of Christ. I cast down imaginations and every high thing that exalts itself against the knowledge of God. I bring every thought into captivity in obedience to Christ. I think on whatever is true, honest, just, pure, and lovely, whatever is of a good report, and on any praise. My mind is stayed in the Lord Jehovah. I trust in the Lord. I am in perfect peace. I dwell in the secret place of the Most High, and I remain stable and fixed under the shadow of the Almighty, whose power no foe can withstand. The Lord is my refuge and fortress. No evil shall befall me, no accident shall overtake me, nor any plagues or calamity come near my home. The Lord gives His angels charge over me, to accompany and defend and preserve me in all my ways of obedience and service. They are encamped around me. Through skillful and Godly wisdom is my house built, and by understanding it is established on a solid foundation. My house is securely built. Jesus is our cornerstone. As for me and my house we shall serve the Lord.

The Enemies of Excellence by Greg Salicciolie - Book

A handbook that addresses the moral failures and corruption of political and corporate officials, this reference suggests that, regardless of how morally strong a leader, all face seven core risks, but by identifying and learning to recognize each risk, leaders can stop creating misery for themselves and the people who rely on them emotionally and financially and deliver the sustainable success people count on them for. The author offers practical ways to avoid the risk factors with the marshalling of diagnostic tools, questions, and quizzes as well as big-picture solutions and practical tasks that aim to reinforce leadership abilities, retain confidence, and earn and keep the trust of others.

Counterfeit Gods by Timothy Keller - Book

The Bible tells us that the human heart is an “idol-factory,” taking good things and making them into idols that drive us. In *Counterfeit Gods*, Timothy Keller applies his trademark approach to show us how a proper understanding of the Bible reveals the unvarnished truth about societal ideals and our own hearts. This powerful message will cement Keller’s reputation as a critical thinker and pastor, and comes at a crucial time—for both the faithful and the skeptical.

Developing The Leader Within You 2.0 by John Maxwell – Book

Current culture tells us leaders are born, but John will explain through 10 critical components of authentic, personal leadership how leaders are made.

Leadershift by John Maxwell – Book

In *Leadershift*, John C. Maxwell helps leaders gain the ability and willingness to make leadership changes that will positively enhance their organizational and personal growth. He does this by sharing the eleven shifts he made over the course of his long and successful leadership career.

Divine Direction – Craig Groeschel – Book

Divine Direction will help you seek wisdom through seven principles. You’ll consider one thing to stop that’s hindering you; how to start a new habit to redirect your path; where you should stay committed; and when you should go even if it’s easier to stay. The book also includes criteria that will help you feel confident in the right choice, and encourages you with principles for trusting God with your decisions.

The 5 Dysfunctions of a Team by Patrick Lencioni – Book

The Five Dysfunctions of a Team outlines the root causes of politics and dysfunction on the teams where you work, and the keys to overcoming them. Counter to conventional wisdom, the causes of dysfunction are both identifiable and curable. However, they don’t die easily. Making a team functional and cohesive requires levels of courage and discipline that many groups cannot seem to muster.

Giving It All Away And Getting It All Back Again by David Green with Bill High – Book

David Green believes that generosity and building a legacy based on giving can lead to getting back what you really want: a family that stays together, prays together, and shares life joyfully. Green tells the story of caring for the small things and starting Hobby Lobby in their garage. He shares the difference between the worlds of “having and hoarding” and a world of “giving and generosity,” the principle of working for God and not for men, and that now is not too soon to consider what you want your legacy to be. Green sees the life of giving as a life of adventure. But it’s a life that pays the best rewards personally, offers a powerful legacy to your family, and changes those you touch.

The Treasure Principle by Randy Alcorn – Book

Jesus spent more time talking about money and possessions than about heaven and hell combined. But too often we’ve overlooked or misunderstood his most profound teaching on this topic, from his words in Matthew 6. Jesus offers us life-changing investment advice. He actually wants us to store up treasures for ourselves—just not here on earth. Instead, he urges us to store our treasure in heaven, where they will await us, and last forever. We can’t take it with us—but we can send it on ahead! In *The Treasure Principle*, you’ll unearth a radical teaching of Jesus—a secret wrapped up in giving.

Yearend Offering Letter Example

Dear [Church Name] Family,

Christmas is just around the corner, and I am so excited to celebrate the birth of Jesus with you. We have prepared the best “[Church Name] Christmas” program ever for you and your loved ones, and I hope you are making plans to attend. And as you know, this is also the season when we ramp up our generosity for some incredible opportunities and accelerate the vision of our church.

We call this our “Legacy Season” because we believe that when we come together to combine our resources, and do for others what they can’t do for themselves, we build a legacy that makes a difference for all eternity. And as we’ve seen over the years, when all of us do a little, together we do a lot.

I know it’s been a tough year financially for so many people and yet despite this downward trend, the people of Highlands have continued being one of the most generous churches in the world! Your faithful generosity to your local church has produced a huge return on your investment. While the stock market may be down and the return on those investments may not be doing very well, this part of your investment portfolio is up!

In this year alone, 16,438 people have given their life to Jesus in one of our services! We’re reaching more people than ever in prisons, dream centers, and through our multiple outreaches that occur during the year. And because of your faithful generosity, we’ve opened new buildings for our Southwest, Woodlawn, and Grandview family completely debt-free. To God be the glory!

But we now have even more opportunities to touch the lives of people who are hurting and reach those who have never heard the Name of Jesus. And I believe there’s never been a more critical time to do it. Our world is in chaos, our nation is in peril, and there is darkness all around. But light shines best in darkness, and I believe the hearts of people are hungrier than ever for the hope found through the Gospel of Jesus Christ.

And that’s why I’m asking you to pray and participate in this year’s Legacy Offering. On Sunday, December 11, I’m asking all of us to give over and above our regular giving to invest in some incredible opportunities to make a difference for all eternity. Here are just a few ways that we intend to support and bless others through this year’s offering:

Local ministries. We are going to bless some of the local faith-based non-profits that are already doing an amazing job with a special gift. These ministry partners take care of people who live in our communities who have been impacted by hard times and inflation. They provide food, housing, foster care, medical care, and Christian education, while also sharing the love of Jesus with the people they serve.

Christmas blessing. We love churches. And for many pastors and churches, it has been a tough year financially and many have faced unexpected obstacles. A portion of this offering will be a surprise gift to them from us so that they can provide for their families and continue the work God has called them to do. What a joy!

Global missions. Due to many different dynamics, many of the former Soviet countries of Central Asia are opening their doors to the USA in a significant way. A portion of this offering will invest in the training and sending of more than 500 new missionaries to these Muslim countries and plant new churches in some of the most unreached parts of the world.

Highlands College. God is blessing this school way beyond anything we could have ever dreamed. I truly believe we’ll all look back one day and say that the greatest investment we ever made was to train and equip young leaders to go change the world for Christ. This offering will provide scholarships for students who have a call of God on their lives but need help with the cost of tuition. What an honor to be a part of seeing young leaders live a life of eternal impact.

[Church Name] projects. This offering will also give us a chance to accelerate some projects right here at Highlands. Our team is ready to begin construction on permanent facilities for our Opelika Campus, Oxford Campus, and a second location in Huntsville. We will build these projects without debt at the speed of our generosity, and this offering accelerates that speed.

Now let me be clear: The purpose of the Legacy Offering isn't for things we are already doing. Your consistent and generous giving has fully funded our budget, salaries, missions giving—even the building projects we are in right now have been paid for completely. This offering is specifically for new opportunities that God has given us and allows us to fulfill the vision God has given to our **[Church Name]** family.

And as always, our goal is not some dollar amount—it's a participation goal. Our hope is that all of us will give something so that all of us can be a part of investing in these incredible ministries. So please pray, and ask God what you should do, and just do what He shows you to do. And if this year has been tough for you financially and you can't participate, please do not feel guilty. Because I know you. If you could, you would, because in the past you have, and in the future you will.

This year's Legacy Offering will be on Sunday, December 11, and you can give in the service or give online at **[Churchwebsite.com/give]**. If you prefer using our secure Text-to-Give option, text the word "**Church Name**" plus the amount to 77977. [Wife Name] and I are humbled and honored to serve with you in the Cause that counts the most.

I love being your pastor!
